

Pin on the four stars of a Nato General and defend Europe in a heart pounding, accelerated Real-Time war simulation! React to the combat radio, teletype, and news service messages from the battle front, and use your full continent scrolling battle map to deploy, manoeuvre, and command the battle units, including infantry, armour, helicopters, air forces, and tactical nuclear weapons in real time to stop the ever advancing Warsaw Pact battle units! Nato Commander is great fun and challenge for wargamers and arcaders alike!
