

Wally Walrus has captured his tea – 20 of Tiki Kiwi's friends from the New Zealand zoo, and if Tiki doesn't rescue them all by tea-time they'll be stuffed, served and swallowed at Wally's table. Tiki has to search Wally's domain which is just how you would expect it to be – FAT with danger! Armed only with a bow and arrow, Tiki can accumulate more weapons along the way. Beware of the malicious rabbits, boomerang throwers, deadly frogs, blood-sucking bats and many, many more villainous creatures.
