SPECTRUM

IN 1993 to be an individual is to be er...DEAD! The totally evil master-geek (sorry...politician) **BANGLER** has serious power going down in town. All the Fuzz and Squaddies are his but so is the Underworld. You are **MULK**, pal...and as **THE** totally wicked revolutionary (for 'THE' read 'ONLY') you are gonna build 2 assassination machines - The Ninja Warriors - and attempt to chill out this Bangler guy with knives, shurikens and some bad posse hip movement! Six levels, mush, of non-stop, furious 2-player oriental upbeat action! Mental eh?
