MASTERTRONIC

Magic MVP Johnson™

THIS IS THE ONLY BASKETBALL GAME YOU'LL EVER NEED!

MAGIC MVP JOHNSON brings all the on-court excitement and backroom strategy of real-life basketball into your own home.

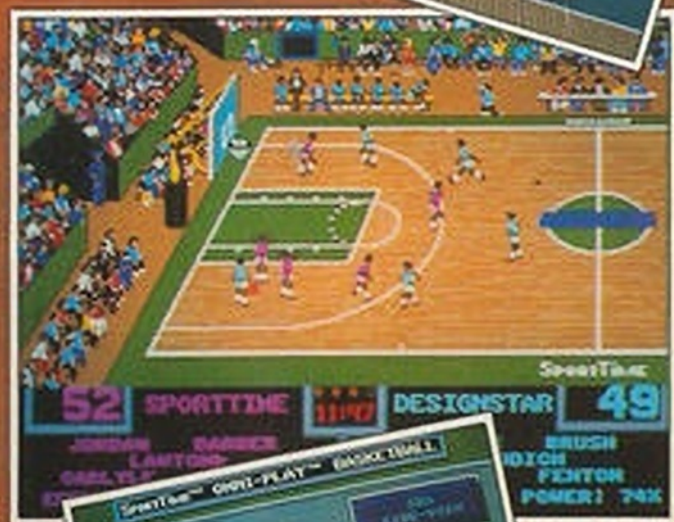

MVP, formerly OMNI-PLAY™ BASKETBALL, gives you the lightning fast on-court action of 5-on-5 ball.

JUST CHECK OUT THESE FEATURES:

- **BE A TEAM PLAYER** - Control the on-court action with precision passing and shooting, aggressive defense and SLAM DUNKS!
- **COACH, OWN OR MANAGE YOUR OWN TEAM** - Unhappy with one of your players? Trade him to another team or send him to training camp to learn some of Magic's smooth moves.
- **2-PLAYER SIMULTANEOUS PLAY** - 1 or 2 players can challenge the computer, each other, or watch the computer play itself.
- **FULL STATS** - Team, All-time Individual and Player Stats chart the past nine years of every team in the league.
- **FANTASY LEAGUES** - Build up as many leagues as you want with a friend or by yourself.

With only seconds remaining on the clock, you fast break and go for a three pointer. Is it a rim shot or do you sink it and win the game the way Magic would?

The ultimate championship depends on you!
