OMNI-PLAY™ Basketball brings all the on-court excitement and backroom strategy of real-life basketball into your own home. Best of all, the OMNI-PLAY™ System is completely expandable, making video game boredom a thing of the past! Separately available modules offer new experiences, more fun and greater depth for your OMNI-PLAY™ System. This is the last basketball game you'll ever need!!!

This package also includes TWO modules already installed into your OMNI-PLAY™ System! The "SBA League" allows you and a friend to own, manage and coach your own basketball teams. While the "End-View" module gives you the fast paced on-court action of 5-on-5 ball and the bonus of Flow-Control™. Do you have what it takes? The ultimate championship depends on you!!!

- Recruit from the Minor Leagues, improve your current roster at Training Camp or trade for other players with varying ages, injuries and abilities.
- Team Stats chart the past nine years of every team in the league.
- All-time Individual and Team Records kept for the history of your franchise.
- Complete nine year Player Stats document your teams' performance.
- Control the on-court action with precision passing and shooting, aggressive defense and SLAM DUNKS!
- 1 or 2 players can challenge the computer, each other, or watch the computer play itself.
- Build as many leagues as you wish, with a friend or by yourself.
- Future expansion modules for Pro Leagues, College Leagues, Fantasy Leagues, and more!
