Computer Model Car Racing

CREATED BY *ED RINGLER, SCOTT ORR AND JOHN CUTTER*
FOR ONE OR TWO PLAYERS

- Total Track Graphics™ give you true, head-to-head competition against a champion computer racer or a friend from start to finish.
- Go for great handling or turbo-charged speed as you challenge ten world famous raceways.
- Fine-tune your strategy with a car/driver team that best matches your skill with the demands of the track.
- Race on paved tracks for predictable handling; race on dirt tracks for slippery action.
- Choose from two types of racing: **Best Time** or **Most Distance**. You can even race solo to set personal records.
- Use with (1) or (2) joystick controllers.
