Speed! Power! The road's all yours.

Hot car. Hot music.
Sensational scenery.

It's all part of the home
computer version of one of
the hottest games ever to
hit the arcade circuit.

Slip inside one of the
fastest machines on four
wheels. Then step on it.

Cruise past the beaches
of southern France, Califor-
nia's Death Valley, cities,
mountains, and much more.
And leave the others in
the dust.

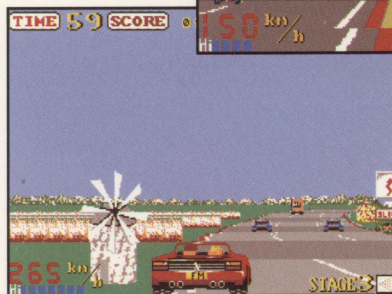

Get a good grip on the
wheel. Because this baby is
pure power. And she *could*
try to get away from you.

Around every corner
is a new breed of
danger. And a new
breed of fun.

Wipe out! With speeds
of up to 295 kph, it's
bound to happen.

Take those curves care-
fully. Or they'll take you.

Everyone loves a winner.
Especially when it's you.
