

PANDORA

How would you like to be the proud owner of 23 million tons of Zinanium, the most adaptable and expensive metal known to humankind. You would if you were an intergalactic Salvage Operator. Here's your chance. Recover the alien artefacts aboard the spaceship Pandora, and unknown riches could be yours.

However, there is one small problem, Pandora is alive and does not want to end up as a set of kitchen utensils in a modern space home.

Pandora features Include:

- A host of interactive characters
- A wealth of challenging and mind stretching puzzles
- Obtaining vital clues by interrogating Pandora's computer terminals
- Hunt the ship for useful weapons and equipment to help you on your mission
- Innovative comic-book style fight sequences
