# Paradroid

by Andrew Braybrook

The situation is bleak. The battle Droids on a galactic space freighter have mutinied. The cargo and crew on the space freighter, now headed for enemy air space, are in grave danger. Equipped only with a special anti-Droid weapon, you must board the ship and destroy the mutinous Droids. Victory won't be easy.

## Features

- Arcade-style action.
- Strategy. Decide when to attack, reenergize, and transfer from one Droid to the next.
- Extensive color graphics. Fight your way through 20 decks (over 400 graphic screens) on the ship.
- Challenge. Confront 24 different types of Droids.
