PARATROOPERS

(RSC 202)

It gets awfully lonely sitting on your own in a bunker until the enemy decides to drop in. But, be warned, this ain't no social visit!

Loading Instructions

To LOAD the program, hold down the SHIFT and press RUN/STOP. The screen will go blank. After about 15 seconds the name of the program will be displayed. Depress the **C** key. The screen will again go blank. The program will automatically load and run.

Playing Instructions

Cursor Key 'A' to Fire
or define your own keys
or use joystick

Please ensure that the cassette deck is at least three feet away from the television. This cassette contains two copies of the program, one on each side. In the unlikely event that you experience loading problems with the tape, turn over and use the copy on the other side. If you still experience problems, the program should be returned to us at:
