PHANTASIE

A multiple-character role-playing game, PHANTASIE transports you to the medieval Isle of Gelnor for the adventure of your dreams. You command a group of one to six characters with such roles as monk, priest, wizard, ranger, thief, or fighter. Your companions need not be human; they may be gnomes, elves, orcs, or lizard men—just to name a few exotic races.

With this motley crew, you search the lands for the Nine Rings to help you wipe out the scourge of Gelnor—the Dark Lord and his evil minions.

You'll map out new terrain, explore maze-like dungeons, solve puzzles, learn spells, gain experience, and battle countless monsters. In every town you visit, you can recruit new members to replace lost or unneeded comrades.

Beautiful Hi-Res colour graphics and a spell-binding storyline suspend reality and launch you into our magical world.

No computer-carrying adventurer will want to miss out on the glorious excitement and enchanting experience that is PHANTASIE.
