PHANTASIE

A multiple-character role-playing game, PHANTASIE transports you to the medieval Isle of Gelnor for the adventure of your dreams. You command a group of one to six characters with such roles as monk, priest, wizard, ranger, thief, or fighter. Your companions need not be human; they may be gnomes, elves, orcs, or lizard men — just to name a few exotic races.

With this motley crew, you search the lands for the Nine Rings to help you wipe out the scourge of Gelnor — the Dark Lord and his evil minions. You'll map out new terrain, explore maze-like dungeons, solve puzzles, learn spells, gain experience, and battle countless monsters. In every town you visit, you can recruit new members to replace lost or unneeded comrades.

Beautiful Hi-Res color graphics and a spell-binding storyline suspend reality and launch you into our magical world. No computer-carrying adventurer will want to miss out on the glorious excitement and enchanting experience that is PHANTASIE.
