PLAYING THE GAME

Joystick controls

UP=Climb up ladder LEFT=Run Left RIGHT=Run Right
DOWN=Climb down ladder FIRE=Jump

To grab a swinging vine, press the Fire button while running and pull down the joystick to release it again. To collect treasure, just run into it.

You start the adventure with 2,000 points and you will lose 100 points each time you fall down a hole. You will start the game with three lives but hazards and dangers will cause you to lose a life.

You have 20 minutes in which to collect as much treasure as possible and thus score as many points as possible.

To jump across crocodiles, wait until the crocodiles' jaws are closed and then jump to the top of the first one's head. Wait for the jaws to open and close again before jumping to the next one.
