PITSTOP II™

Head-to-head auto racing.
Introducing true competitive auto racing,
both on the track and in the pits.

A split screen display allows two players to
race against each other, fighting for the lead
on the track and struggling to be the first out
of the pits.

You'll need a race strategy good enough to
beat an opponent. But remember, his
strategy might be as good as yours. Then it
comes down to a test of nerves, a test of guts.
Grit your teeth and hope that your tyres and
fuel hold out for another lap, because if you
'pit' now it may cost you the race!
