QUESTPROBE™

FEATURING THE **HULK**™

Listen up, True Believer! The world's premier comics company has joined with the originator of Adventure games to bring you the awesome **QUESTPROBE** Series: an epic group of home-computer Adventures by Marvel Comics and Scott Adams in which **YOU** become the greatest Marvel Super Heroes characters.

Much more than an arcade game and recommended by educators around the world, an Adventure allows you to move through a wondrous electronic world by entering English commands. In the **HULK** you actually control the intellect of Bruce Banner and the savage might of ol' "Jade-Jaws" himself, the **HULK**. Your objective is twofold: to unlock the riddle of the Chief Examiner and . . . to survive!

Each installment of the **QUESTPROBE** Series is a complete Adventure—you need nothing else but your imagination and a compatible computer. And, you don't have to be a Marvel Comics fan to enjoy the fun. For all kids aged 8 to 800! Difficulty level: Moderate.
