Listen up, True Believer! The World's premier comics company has joined with the originator of Adventure games to bring you the awesome QUESTPROBE™ Series: an epic group of home computer Adventures by Marvel Comics and Scott Adams in which YOU become the greatest Marvel Super Heroes™ characters.

Much more than an arcade game and recommended by educators around the world, an Adventure allows you to move through a wondrous electronic world by entering English commands. In this Adventure you must prove to the Chief Examiner™ that you can utilize the powers of the Marvel Super Heroes™ characters. Your objective is twofold: to unlock the riddle of the Chief Examiner™ and...to survive!

Each instalment of the QUESTPROBE™ Series is a complete Adventure—you need nothing else but your imagination and a compatible computer. And you don't have to be a Marvel Comics fan to enjoy the fun. For all kids aged 8 to 800! Difficulty level: Moderate.
