RACK'EM™

Designed by Artech Digital Entertainments, Inc.

Now the pool parlor is as close as your computer!

Lock up that two-piece, custom-made pool cue. With Accolade's Rack 'Em, you've got all the makings of a Saturday night at the pool parlor.

What's your game, sport? 8-ball? 9-ball? Snooker? With Rack 'Em, you call the shots...

- Animated top-down view for aiming.
- Includes these games: snooker, pool (Straight, 8-ball, 9-ball, Standard 15). Follows the *real* rules.
- A variety of built-in trick shots, plus design your own.
- Choose the object ball, pocket, aim, english and shot power.
- Customize your own game — play with your own house rules.
- Save your 10 best shots to disk.
- Practice any missed shot with the "Restore Shot" feature.

Rack 'Em gives you the kind of pool you grew up with on the South Side. The neighborhood hustler may even challenge you to a friendly game with his own two-piece, custom-made joystick.

Just say them magic words. "Rack 'Em."

Actual game screens from C64/128 version of the game. Other screens may vary.

ACCOLADE
The best in entertainment software.
550 S. Winchester Blvd., San Jose, CA 95128

Hustlers beware. The minute you cruise into Rack 'Em's pool parlor with your alligator cue case the locals know you're here for some serious pool. Wanna practice, play or just show off?

Accolade gives you the best seat in the pool parlor with this animated top-down view. Choose the object ball, aim and shoot. Miss a shot? Set 'em up again with the "Restore Shot" feature.

Need to put a little english on the ball? The English Window depicts exactly where the cue will strike the ball. Want a soft touch or a smash? Adjust your stroke with the power gauge.
