NOBODY BRINGS MORE ARCADE ACTION TO YOUR HOME

COMPUTER THAN TAITO. Because arcade games are the bench-
mark for all home video games. Taito's leadership in the arcade
arena translates into more arcade thrills for your home computer.

That's why nobody but Taito can bring you more of what you
want in home video games—more mesmerizing arcade quality
graphics, spell-binding sound and above all, action! And Taito is
always working hard to develop the most exciting new action-
packed games that push the technology to its limits.*

Literally millions of people play our games around the world.

You don't get to be the biggest by making mediocre games. We
became the arcade leader for a good reason. We consistently make
arcade smash hits. Our strength comes from the massive develop-
ment effort we put into creating the kind of games that thrill the
ever-growing arcade appetite.

Who but the arcade leader could bring you so much arcade
excitement? Nobody but Taito. (That's who.)

RENEGADE

ARE YOU READY TO BE THE BADDEST DUDE ON THE STREETS? The original coin-op hit and one of the hottest games in Europe is now ready for play on your home computer.

The blistering, fast-paced real life street-style karate action begins when you're surrounded by gangs of blood-thirsty thugs. You weren't looking for trouble but you're not going to run from it either.

Only you can put these punks in their place—face down in the gutter. Your flying fists and killer kicks will have to do the job. It's you or them and there's no way out.

Renegade game features include arcade quality graphics, full range sound effects and multiple levels of play.

Square off against street punks on a subway.

Go toe-to-toe with outlaw bikers at the wharf.

Walk through a mind-blowing maze laced with blood hungry hoods.

Taito is the world's largest manufacturer and operator of arcade games. We practically started the video game revolution with our classic hit, *Space Invaders*™. Since 1953 Taito has created more than 1,000 other great action games for arcade and home play.

Now Taito brings that same excitement and pioneering spirit into your home with such games as *Renegade*™, *Bubble Bobble*™, *Alcon*™, *Arkanoid*™, *Rastan*™, *Sky Shark*™, *Operation Wolf*™, *Gladiator*™ and more to come on software formats for your Commodore, Amiga, Atari, IBM and Apple computers.

Taito games are more than just fun. We bring you games that test your nerve and challenge your strategy—games that make you laugh and put you on the edge of your seat. Taito brings you adventures that take you to places you've never been before—to brave new worlds of imagination and fantasy. After all, isn't that what great video games are all about?
