Experience the excitement and challenge of a true to life crisis situation. As a member of the Rescue Squad™ you will save lives in a game of skill and courage. Your mission of rescuing people from a burning building is performed with sophisticated color graphics, exciting music and sound effects. In a full series of rescue situations, you will be tested for quick reflexes and your ability to think swiftly and calmly. Safely speed through rush hour traffic to reach the burning building. Catch people who are escaping from the flames. Then enter the building to free those who are trapped and bring them to safety.

Nine levels of difficulty will continually challenge your proficiency as a member of the Rescue Squad™. Join those courageous enough to defy danger and become a hero!
