Race against
KING RICHARD PETTY and 18
top professional drivers - test your skill in
"qualifying for a pole position and then let'er rip in the real life
3-D main event. Use strategy to plan your pitstops, draft leading cars to pick
up time and save fuel, and be prepared for the yellow caution flags. Make the
right decision, have a little "racing luck" and you might just beat Richard to the
chequered flag. Just remember... It's not going to be easy, the KING doesn't like
