

Rings of Medusa

C-64/128

version

Rings of Medusa

Your name is Cirion, Crown Prince of Morenor. The evil Goddess Medusa has gained control of your father's kingdom and you must win it back. To do this you need to capture five precious rings: it is your only hope to call Medusa into battle. To gain strength and wealth you'll have to trade goods, gamble in the Casino of the Trolls, seek hidden treasures and even rob banks! Build up your forces for engagement in land and sea battles against Medusa's evil armies and treacherous pirates. Your mission will not be easy. Only your will for peace and your courage will accompany you.

Rings of Medusa: An amazing, beautiful simulation which guarantees months of captivating and addicting entertainment.
