SLOT CAR Racer

Slot Car Racer is an exciting 1- or 2-player game based on the world of high performance racing. Compete on actual Slot Car Racer circuit courses or design your own with the remarkable icon-based track editor. This is the racing game that leaves all the others in the dust.

Features:

- Integrated icon-based track designer
- 17 real-world Slot Car Racer tracks to scale; racing excitement from Monaco to Villeneuve
- 1- or 2-player options
- 3D point-of-view perspective for each driver
- Overhead view for each driver
- Realistic skidding and braking
- On-screen lap timer
- 3 different types of curve and straight tracks
- Joystick or keyboard control
