ANCIENT TERROR AWAKES FROM DEEP FREEZE!

The frigid valleys of the Dragonspine Mountains echo with the desperate plea of terrified miners: "Heroes of the Forgotten Realms, save us from evil!"

Unwittingly digging in unhallowed ground, they have disturbed an ancient vault and released its terrible content. Scores of horrific creatures now infest the mine shaft — and threaten to escape into the world above!

You and your heroes must find the way to contain this scourge. All hope depends upon your ability to unravel the age-old mysteries surrounding this vile infestation.

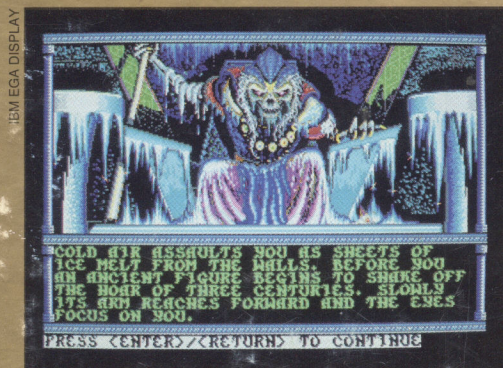

Sequel to POOL OF RADIANCE and CURSE OF THE AZURE BONDS!

SECRET OF THE SILVER BLADES improves on the award-winning game system used in POOL OF RADIANCE and CURSE OF THE AZURE BONDS. Either way, explore the largest 3-D adventuring expanse ever in an AD&D® computer game! Battle monsters you've never before encountered. Use higher character levels, and invoke new, wondrous spells.

All this *plus* spectacular graphics add up to unequalled excitement in AD&D® computer fantasy role-playing!

You must find out before the mining
town of New Verdigris is overwhelmed!

Uncover the ultimate evil — the secret
of the silver blades!
