SECURITY

ARE YOU A MASTER SPY?

Do you have the stealth and cunning of a jewel thief? Security Alert will test your nerve and wits to the limits!

This real-time, fully animated strategy adventure, pits you against the latest high tech security systems, setting goals of heist jewels, secret documents and Egyptian treasure.

You'll face a maze of over 1,400 rooms with security defences at every turn, hidden cameras, infra-red beams, motion and heat detectors, weight sensitive floors, key pad security locks and much more.

Could you successfully crawl, walk or jump to make your escape?

Only a cool calculating mind for espionage will survive Security Alert.

Quest'avventura strategica animata in tempo reale vi pone di fronte ai piu'sofisticati sistemi di sicurezza, per cercare di raggiungere favolosi gioielli, documenti segreti e tesori egiziani.

Dovrete affrontare un labirinto con piu'di 1,400 stanze piene di sistemi di sicurezza, telecamere nascoste, raggi infrarossi, sensori di movimento e calore, trappole a peso, serrature a combinazione numerica e molto altro.

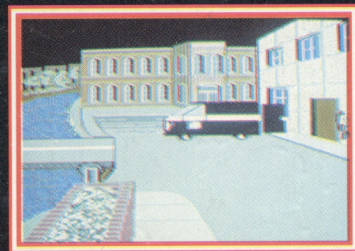

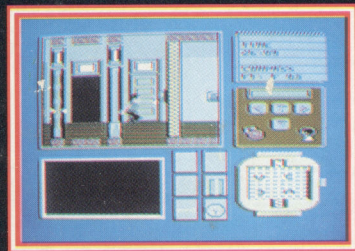

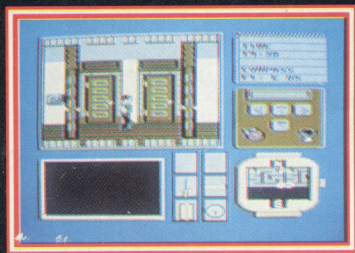

Bai diesem Echtzeit und voll animierten Strategie-Adventure stehst Du den aktuellsten High-Tech sicherheitssystemen gegenüber. Hier kannst Du Maßstäbe in Juwelenraub, im Stehlen von geheimen Dokumenten und ägyptischen Schätzen setzen.

Ein Irrgarten von über 1400 räumen erwartet dich in diesem spannendem spiel. In jedem-raum befindet sich ein Gichorheitssystem, bestehend aus versteckten kameras, Infrarotstrahlen, bewegungs- und Hitzesensoren, gewichtsempfindlichen Fußböden, Identitätskarten und vielen anderen Sicherheitsvorkehrungen.
