

SILENT SERVICE

Additional Notes (C64 cassette)

Due to the Fast Load on this game, the title screen will corrupt after a short time. This should not however affect the playability.

The game is completely loaded from Side 1. Side 2 is a back-up copy. The instructions should be ignored when it refers "Turn to Side 2."

Ships have to be identified with the correct identification instruction as this forms an integral part of the protection within the program. The game may not run properly if not adhered to.

When you have finished the Scenario, rewind the tape and re boot cassette.

Note:- F7 function is for disk version only.

The "Submariner's Hall of Fame" is not included in the cassette version.
