

SimCity, Commodore 64/128 Version 1.0

HARDWARE REQUIRED

C-64 or C-128
1 Disk drive
Color monitor or
color television
1 Joystick
1 or more blank disks for data
storage

STARTING SIMCITY

Place SimCity Program Disk in disk drive
Type **LOAD"SC",8,1**
Press **RETURN**

Loading time is approximately one minute

INITIALIZING DATA DISKS

Type **OPEN 15,8,15,"N0:DISK NAME,ID"**
Press **RETURN**

For **DISK NAME** use any name you want, up to 16 characters.

For **ID** use any 2 letters or numbers. Always use a different **ID** for every disk. For more info on initializing disks, see your Commodore disk drive manual.
