With Homer, Marge, Bart and Lisa racing to reunite the family after Maggie's nabbed during a jewel heist. So choose a Simpsons character and trek through all eight arcade levels and both hilarious bonus stages. Krustyland, Springfield Discount Cemetery, Moe's Tavern, the Nuclear Power Plant, it's all here. Theme music from the hit television series is also here, as well as crisp 3-D graphics with The Simpsons unique, vibrant animation. So follow those jewel thieves and bring the Simpsons together again.

Take on the oversized bruiser at the end of each level, including the samurai, the wrestler, the piggyback goons and a bionic Mr. Burns.

In Dreamland, The Simpsons' stream of unconsciousness is filled with bizarre obstacles like the painful notes from Lisa's saxophone, menacing power plant employees and the pin-spitting bowling ball.
