SNOWBOARD HALF-PIPE: Strap on your Burton snowboard and carve your way through this mega-hot event of the '90s.

RODNEY BE BACK!
Rodney's still minding the store, but that's okay with him. He'll leave the snow shredding to Lester.

DOWNHILL BLITZ: Scream and cream down a glaciated hillside in a most treacherous version of the classic downhill race.

SNOWBALL BLAST: Fire snowballs at a bevy of belligerent brats trying to ice you out. Get blasting or get used to the nickname Frosty.

INNERTUBE THRASH: Time for schussin' commando-style in this riotous downhill joust on fat innertubes.

ACRO AERIALS: Scale the ozone in this rad ski jump event! You don't have to be crazed to do this, but it helps.

VILLAGE SQUARE: Cinch up your bindings and boogie over to any of five totally outrageous alpine events.

WARRANTY

Electronic Arts provides a limited 90 day warranty on the recording media. The warranty does not apply to the software programs themselves which are provided AS IS.

Screen shots represent IBM version. Others may vary. IBM is a registered trademark of International Business Machines Corp.
