THE FOX IS BACK... AT WARP SPEED!

SKYFOX II

THE ONLY SHIP
FAST ENOUGH, TOUGH ENOUGH, ELUSIVE ENOUGH
TO CARRY ON THE SKYFOX LEGEND...
AND BLOW THE FEDERATION ENEMIES OUT OF THE GALAXY
ONCE AND FOR ALL.

Fastest Fox In Space

Blast through asteroids at 9000 kilometers/second. Cut faster-than-light through the nullspace of wormholes. Reduce enemy fighters to stardust with Photon Pulse Bombs. Fire a barrage of Neutron Disruptors no ship can survive.

Galactic Duty Calls

Massive attacks. Secret invasions. Dangerous missions put you face-to-face with deadly Xenomorph fighters who fire with no questions asked.

Strategy Has Its Reward

Plan your attack, set a course on the overview map and hit autopilot. When you reach your destination, blast the Xenomorph starbase into another galaxy.

No Time To Rest

Bolt to the nearest starbase to repair serious damage. But move fast - enemy fighters could be attacking Federation starbases while you refuel.

Electronic Arts provides a limited ninety day warranty on the recording media. The warranty does not cover software programs themselves, which are provided AS IS. Made in USA. 139301
