SLAM BALL

Requires joysticks.

Click 3, 2, 1 Whooooosh!

Heads up! Careful now slide down easy. Left . . . not enough English. Pull . . . that's it . . . Pull more . . . perfect . . . Now body armor ON!

CRASH . . . BOING . . . BOING . . .
CRUNCH . . . BOING . . . 300
points not bad! But you know
you'll have to do better . . . Pull

right more . . . more . . . Oh NO! . . .
ARMOR ON . . . drop target . . .
slaaaam . . . too late . . .

After you've played at pinball
and thought you had it down!
Experience SLAM-BALL. The
arcade game where you are the
pinball! No room for mistakes,
no time for thought, just awe-
some action as you frantically
hold on to survive.
