

AS CLOSE TO THE REAL THRILL OF FLYING AS YOU CAN HANDLE!

Solo flight is an outstanding flight simulator that will provide you with the thrill, excitement, and joy of flying your own aircraft. Solo Flight uses superior three dimensional graphics to provide realistic takeoffs, landings, and cross country navigation under both visual and instrument flight rules among 21 different airports, in three different geographical areas of the United States. options include touch and go's, visual or instrument flying, full cockpit instrumentation, dual VOR navigation radios, an instrument landing system (ILS), multiple air navigation maps, four difficulty levels, and emergency procedure practice. In the game mode the player uses his superior skills to deliver the U.S. Mail quickly and safely among the various air fields. This simulation is a realistic trainer and outstanding fun for all ages!
