

SPY vs SPY™ TRILOGY

Spy Vs Spy™ was voted the best two player game ever designed—it features Realtime animation, hand to hand combat, simulvision, booby traps, superb 3D graphics and excellent sound effects.

The Island Caper™—has won many awards including game of the year from several leading publications. It features Sword fights, quicksand, shark attacks, brilliant graphics, coconut bombs, simulplay and many other exciting options.

Arctic Antics™ is the final sequel in the Spy Vs Spy series and it has received excellent reviews worldwide "A must for Spy fans". Snowball fights, snow blizzards and an arsenal of booby traps are just a few of its many features.

All three games feature one or two player option.

Spy Vs Spy, The Island Caper and Arctic Antics are TM's of First Star Software Inc. Spy Vs Spy is a TM of E.C. Publications © 1988 First Star Software Inc. Distributed under agreement with First Star Software Inc. Distribution arranged by International Computer Group.
