GAMESTAR 

STAR LEAGUETM BASEBALL

CREATED BY DAN UGRIN, SCOTT ORR AND BRUCE MITCHELL
FOR ONE OR TWO PLAYERS

- Choose your starting team and pitcher!
- Bring in a knuckleball throwing reliever when your starter "tires"!
- Play solitaire against a hard hitting computer team or human opponent—take batting practice against the legendary "Heat" Muldoon!
- Two realistic screens for enhanced play!
- Incredibly lifelike animation, from the wind-up of the pitcher to the arc (and shadow) of a fly ball!
- Totally involving sounds, from the crack of the bat and cheer of the crowd to the music of the 7th inning stretch!
- Use with (1) or (2) joystick controllers
