

SENTRY PASSWORD CHART

FOR

STEEL THUNDERTM

U.S. Document # 5945A/76-S

Warning: it's vital that you don't lose this chart. You need it to gain entry to all military installations. Should you ever be interrogated by a sentry, use the enclosed information to answer all questions:

- ★ 1 Move the on-screen pencil to the left of the box beside the correct answer, and press the **fire button**.
- ★ 2 Answer the question correctly, and you are escorted to the General's Office. Fail and you're escorted to the stockade.
- ★ 3 To bail yourself out, re-boot your system.

Attention: if you should lose the Sentry Password Chart, please send us \$15 and we can requisition you another copy. If your chart is destroyed in battle, please send us back the remains, and we'll give you a replacement.
