- Play against a friend, or the computer.
- Choose your own amateur ball club. Each of the 16 players has his own personality. All have street smarts.
- Split screen view allows you to "home in" on a specific playing area while keeping an eye on the whole field.
- Obstacles on this sandlot bring new dimensions to the traditional baseball game.

▲ It's a curve ball to Mike ... but that's o.k. - he's been looking for one.

▲ Ralph won't be beat by a few tree stumps and puddles ...

▲ When the play is close, slide or you're out!
