ARCADE ACTION

Very playable, fast moving game. As a photo-journalist you must move quickly around the hotel — trying to find the lady. The hotel staff don't like you doing this — neither does MR ANGRY!

THE SCENE:
Set in a hotel, your task as a photo-journalist is to snatch an exclusive shot of a glamour girl staying somewhere in the hotel. You must first collect your camera, flash, press pass and the key to her room — all hidden in other rooms.

Complete your assignment by the Editors deadline, which is displayed at the bottom of the screen.

The hotel staff — porters, waiters, purser and cook don't like you rushing around their hotel opening doors — neither does MR ANGRY!

PLAYING THE GAME

JOYSTICK CONTROL

You can change the skill level or number of players on the first screen, by moving joystick up or down. To change from one to a two player game, move the joystick right, to change back move joystick left.

To jump, pace left or right and press fire button.

To open doors/pick up objects/take photo — face doorway and press fire button.

To start game press fire button.

Points are awarded for each object collected — on completion of assignment the remainder of the deadline is added to your score.

HINTS

There are varying levels of difficulty — as you progress through it becomes harder because more hotel staff join in the chase.

It is possible to escape the Purser by jumping past him in the opposite direction — but be careful it is not always successful. Pressing RESTORE will freeze the game, until it is pressed again.

Watch out for MR ANGRY in his pyjamas, he doesn't like to be disturbed.
