SUMMER GAMES™

You're an Olympic athlete competing in eight key events at the SUMMER GAMES. How well can you score in track, swimming, diving, shooting, gymnastics and more? So realistic, there's even an opening ceremony and awards presentation after each event.

Unlike other "Olympic-Like" games, SUMMER GAMES has incredible realism, superb state-of-the-art graphics and sound effects, including national anthems from eighteen countries, and true action-strategy game play. In each event you must plan and execute your game strategy in order to maximize your score. It's not just a matter of how fast you can move the joystick.

So change into your running shoes, grab your joystick and GO FOR THE GOLD!

- Opening Ceremony and Awards Ceremony
- 8 Different Sports Events
- Action and Strategy Elements in Each Event
- Compete Against an Opponent or the Computer
- Individual and Team Play
- Joystick Controlled
- One or more Players

EPYX CODING

To help you choose the game that's right for you, Epyx games are coded to indicate the degree of emphasis on "Action," "Strategy" or "Learning." These symbols will appear on the front of all Epyx packages:
