

SUMMER GAMES™

You're an Olympic athlete competing in eight key events at the SUMMER GAMES.

How well can you score in track, swimming, diving, shooting, gymnastics and more? So realistic, there's even an opening ceremony and awards presentation after each event.

Unlike other "Olympic-like" games, SUMMER GAMES has incredible realism, superb state-of-the-art graphics and sound effects, including national anthems from eighteen countries and true action-strategy game play. In each event you must plan and execute your game strategy in order to maximise your score. It's not just a matter of how fast you can move the joystick.

So change into your running shoes, grab your joystick and GO FOR THE GOLD!
