

TASK III

Task III is a fast, action packed arcade quality game that requires great skill and cunning – only the elite survive. You must navigate your craft through 16 levels of treacherous terrain filled with deadly traps and numerous other pitfalls. Watch out for the lazer beams as you battle your way through wave after wave of attacking alien ships in your quest to free the galaxy. This will be the ultimate test of your skills. It could be your last journey.

GAME ELEMENTS

- 16 levels of play
- Brilliant music and sound effects
- 3-D smooth scrolling graphics
- One or two player option
