Tetris came from Russia, and, as a fantastic present for 1988, Mirrorsoft Ltd are giving away a special 4 day holiday for 2 people in Moscow.

Visit the land of the Tsars with this fantastic prize. All you have to do is give your highest score - both in points and the number of lines completed.

Then complete the tie breaker, by using your imagination, suggesting what the word "Tetris" might mean if it was a real Russian word.

Fill in the form on the reverse of this sheet, send it to Mirrorsoft Ltd at the address given, and you could be on your way to Red Square, the Kremlin, Lenin's Tomb and more.

Tetris - the first word from Russia.
