TIGER ROAD

If you're looking for Easy Street, check a different map. You're taking the Tiger Road.

Meet the most ferocious challenge of your life as you travel the back roads of ancient China. Panic rages from home to home. Town to town. The children are gone. The evil warlord has them! Only you can stop him.

Your weapons are many. You venture into combat with a battle-ax, lance, and morning star. But the evil warlord anticipates your arrival. He's paved the way with flying spears, razor-sharp knives and grotesque ogres.

- ▶ Escape to ancient China for an unparalleled combat adventure.
- ▶ Incredibly fierce fighting, unlike anything you've ever encountered.
- ▶ Master your feudal weaponry and defeat the evil warlord.
- ▶ Superb graphics and sound effects add to the realism.

The cries of the children echo in the night. Their frightened pleas play over in your mind. With each new battle you fight on—determined to rescue the children from their wicked captor.

Tiger Road. Only from CAPCOM. A road to doom or a road to freedom? You have the power to make the choice.
