

TIMES^{of} LORE

C64 CASSETTE LOADING INSTRUCTIONS

1. Place the Times of Lore cassette in your tape deck, Character Creation side up.
2. Make sure you have a joystick plugged into Port 2.
3. Press Shift and Run Stop then press Play on tape recorder.
4. Read the story carefully and follow the directions at the end to choose your character in the game. If you choose the Knight, your shining armour of polished steel plate will keep you strong and mighty in battle. Or if the Valkyrie's life appeals to you, quickness and agility will keep your foes dodging for their lives. Though the Barbarian's loin cloth is not the most impenetrable of armour, his sheer brute strength will ensure that the protection of more conventional apparel is never missed. Remember you will need a blank cassette to save your character.
5. In future playing sessions, you can skip the introductory story and character selection by loading the game side of Times of Lore followed by loading in your previously saved game.
