

TINTIN ON THE MOON

Blistering Barnacles and Thundering Typhoons !
Where in Jupiter's name are we ? Why did we
ever get on Professor Calculus's crazy rocket ?
And now we've been captured by that
ectoplasm Colonel Jorgen and he's trying to
scupper the Moon Mission ! Only Tintin can save
us from turning into a radioactive kipper ! By
thunder Tintin, you're the only one who can foil
that Sea Gherkin Jorgen and be the first man on
the moon !
