# TOM & JERRY

If you think a barrel of monkeys is fun, wait until you get a room full of **Tom & Jerry**! America's favorite cat and mouse team is at it again — romping through the house in a chase for taste.

Jerry is looking for the cheese, while Tom wants to make a tasty morsel of the little mouse. It's all in fun though, since Tom's "meow" is worse than his bite.

Steer Jerry through mouseholes, under couches and over shelves — anything to stay away from that wily cat. Drop a banana peel or a bowling ball — that might slow Tom down! But it probably won't stop him!

- ❑ Run and jump through 5 different rooms filled with furniture, lamps, appliances, shelves, pictures and more — you can even change direction in mid-air!
- ❑ Distract Tom with a meal from the refrigerator, a television show or Jack-in-the-box — then you can eat your cheese in peace!
- ❑ Foil Tom by dropping books, apples, banana peels, paint buckets and oil cans in his path, or maybe on his head.
- ❑ Discover sparkling graphics — you're the main character in this computer cartoon!
