ACTUAL C64 SCREENS

Just how good a cop are you?

Are you prepared to take your driving skills to a new dimension and risk everything in one final mission to squash the lethal arms dealers?

Strapped in and fired up, take the controls of your unique Italian sports car and use all your high speed skill and red hot reactions in this, the ultimate and fastest C64 driving adventure.

WHAT THE PRESS SAY -

ZZAP 64 - Rated 96% "Gold Medal" "Instantly, completely, totally addictive, it all adds up to one awesome driving game."

COMMODORE FORMAT - "The superior control method, the speed, the graphics, the gameplay and the sound effects all add up to a gut-wrenching extravaganza."

YOUR COMMODORE - Rated 97% "VC fun one" "Turbo Charge is THE best C64 driving game ever."

THE FEATURES

- ★ A unique driving control method allows Turbo Charge to play at speed without losing the playability on tight corners.
- ★ Ten high speed levels of pure mayhem.
- ★ Incredibly detailed presentation screens, never before seen on a C64 product.
- ★ Five channel atmospheric music and in-game sound effects.
- ★ Blast 'em up arcade action, combined with a silky smooth road routine.
