

URIDIUM

by Andrew Braybrook

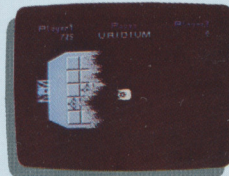

The Manta fighter takes out two defenders from a wave.

Surface defences under attack from the Manta.

A Wing of defenders in pursuit of the lone Manta.

A Super-Dreadnought dissolves into the ether of space.

The solar system is under attack! Enemy Super-Dreadnoughts are in orbit around each of fifteen planets in this galactic sector. They are draining the mineral resources from the planetary cores for use in their interstellar power units. You must destroy the enemy fighter patrols, neutralise the Dreadnought surface defences and land and destroy each ship.

Featuring ultra high speed all-action arcade play, ultra-smooth scrolling, smooth multi-colour sprites and three voice sound effects. Full colour graphics showing sixteen Super-Dreadnoughts equivalent to over two hundred screens of playing area. One and two player options, fully adjustable sound and colour/mono modes.
