

(WAY OF THE TIGER II) Avenger

First came "The Way of the Tiger" the martial arts classic in which you had to prove your physical skills to become a Ninja. Now you have to prove your supreme mental agility in the second part of the Way of the Tiger, saga "Avenger", the Ultimate arcade adventure.

Yaemon Grand Master of Flame has assassinated your foster father Naijshi and stolen the Scrolls of Ketsuin. You have sworn to the God Kwon that you will avenge Yaemon's murderous act and recover the sacred scrolls.

Your enemies are many, varied and all are deadly. All your skills, courage and nerve will be called upon when you begin the final conflict in the Great Keep. Good Luck... only the brave hearted will survive.

The Way of the Tiger computer games have been developed from the role playing adventure books of the same name. These are published by Knight Books and are available from all good book shops.
