hair and
was
thinking
of dyeing
it
peacock
blue.

Sheriff Paul Drive

Here's Paul entertaining his fellow workers down at the big supply depot. They're sure thrilled.

Polly Esther Fabrique

Taken after the big
game and not a
brown hair out
of place!
Final Score: All Stars 4
Drag Nets 3

Souvenir of dinner
at Polly's favorite
restaurant. She
sang "The Bell Song"
between coffee and
dessert. Got a
standing ovation.

Hobbies:

Needlepointing scenes of
famous disasters

Playing old Caruso records

Designing tarot cards

Heidi Gosikh

My favorite blonde.
This was taken the
day she went to
the Waylon Jennings
show. She was so
excited.

Haven't tried this one yet.

From the Kitchen of Heidi Gosikh

Southern Fried Chicken Mysterioso

- 1) Steal one medium size chicken for each
four guests...
- 2) Pluck
(over)

Strengths: Genius with an oil
can and wrench. No
troubles with your
getaway car when tuned
by this lady.

Weaknesses: Don't plan a job when
a hockey game's on the
tube. Better yet, don't
even call.

Venus H. Pencil

Taken on her last day on the job. Oh well, Word Processing's loss is Crime's gain. She'll have to take out her aggressions on the rink now. (She's one terrific goalie.)

Best used to distract a crowd. Also good playing goalie.

Bio:

Former word processor
Sang lead in "Barber of Seville"
Co-authored "The Scarlett O'Hara Cookbook"
Wrote article on why blondes have more fun

EXPENSE RECORD

LOST TO M. NAUGHAYDE (POKER DEBT)	\$ 500 00
BOOKSTORE PURCHASE "REPAIRING YOUR BORGWARD"	\$ 15 95
TRES CHIC BEAUTY SALON FACIAL, MANICURE, PEDICURE AND HEAD-SHARPENING.	\$ 35 00

Expenses from the Pencil's last caper. Have to talk to her about these!

Wendy Pauper

Half-time madness!
Wendy and the lead
guitarist from
Reeking Sewage
tear things up
at the stadium.

Great addition to the team!
Recruited her 8/15 from a
club on the outskirts of
Cleveland. Cooks great
chicken creole.

She never misses a game!
(The team even gave Wendy
her own helmet.) Too bad
it'll cover her gorgeous
red hair...

MIAMI
DOLPHINS

Lost again!
Next time we
pull a job
in Vegas, I'm
going to show
her the ropes.

Alexander Graham Edison

Alexander engaged in his (and my) favorite sport.
(That's me keeping score.)

Souvenir of our first date. I listened to this while he fixed his carburetor. Too bad I don't like opera.

NOTES: This blushing brown-haired beauty was a lineman laid off by the local phone company when I met him in a we-never-close fried chicken bar. He was planning to use his training to become a freelance gene splicer until I convinced him to sign up with V.I.L.E.

Benjamin Hana

The chef picks his "menu" for tomorrow with a little help from a "friend." (Just horsing around, of course.)

Benjamin's Folly!
The only good tips he's had lately are on asparagus, not horses.

So glad we met when we did.
