wizard

By Steven Luedders and S.A. Moore

Jump and climb through WIZARD's forty dazzling screens in your quest for magic and treasures. Duck under deadly arrows and avoid the lava troll's horrible grasp as you grab the key and run on to your next thrilling adventure. Slip down sliding staircases, shimmy up ropes or ladders and throw a magical fireball at one of WIZARD's many fully-animated villains. Catch an elevator to the top of a wall and dart through sliding gates as you reach for sparkling diamonds, gleaming bars of gold and glistening pearls. Points shimmer on the screen as your score increases . . . will you become one of the top ten Wizards? Pick up your joystick and find out!

WIZARD Features:

- One to Six Players
- Four Difficulty Levels
- Six Game Options
- Ten Selectable Play Speeds
- Spell Casting — Ten different exciting magic spells!
