WIZARD expansion set

Note: Must have the original WIZARD to play this Expansion Set.

Thrill to Wilfred's 40 all-new adventures in the WIZARD Expansion Set, the awesome sequel to WIZARD. Wilfred faces more terrifying traps and petrifying puzzles as he leaps back into action! Hurdle through "WIZARD Olympics" and escape the endless "Labyrinth" in your search for dazzling diamonds and priceless pearls. Many of WIZARD'S new challenging levels were built by Wilfred's ingenious friends! Can you master these tough, exciting levels?

WIZARD Expansion Set Features:

- 40 Entertaining ALL-NEW screens. An improved construction set.
- Create your own SPECIAL EFFECTS . . . sliding staircases, vanishing ropes and "blinking" bricks are a snap!
- Design elevators that can go in ANY direction!
- Make objects appear or disappear whenever a treasure is taken.
- Draw ALL KINDS of interesting new graphics - wider ladders, narrower ladders, poles, "false bricks," invisible bricks and many more!
- And of course, all the flexible menu-driven features of the original construction set.

HAPPY CONSTRUCTING!
